Brexit March 2019

To Whom this may concern

Due to the high number of Brexit Questionnaires we make the following statement as it is not possible to complete and respond to each one individually.

I advise that none of our product range or services supplied will be affected or influenced by Brexit deal or no deal.

At this time, we anticipate we will continue to maintain complete continuity of all supply of products and services.

If there are any changes to this statement, we will issue an update on our web site address above.

If you need any further clarification, please let me know.

Regards

Graham Clarkson
MD
